Dear Headmaster Lippe:

Judie Brown, President of American Life League, forwarded to me excellent materials describing the Saint Michael's Culture of Life Curriculum. What a joy to read of your accomplishments.

I congratulate you and the American Life League for your dedication to ensuring that a new generation of leaders will be prepared to defend Life and our Faith! Truly, Saint Michael's is a blessing not only for Virginia but for the nation.

My prayers are for your continued success. May your high school become a model for others throughout our nation.

With kindest personal regards, I am

Sincerely in the Lord,
